To Whom It May Concern

This is to certify that **Mr. Deboneel Kundu Partho** successfully completed his internship at the Center for Environmental and Geographic Information Services (CEGIS), a Public Trust under the Ministry of Water Resources, Government of the People's Republic of Bangladesh, from 07 June 2026 to 23 July 2026. During this period, he worked under the Agricultural and Fisheries Division, where he actively contributed to research and technical activities. His internship involved reviewing irrigation planning reports for the North Rajshahi Irrigation Project, studying the Application of Agroecological Zones Database in Drought Management and Water Availability Assessment, and participating in technical sessions on Crop Simulation Modelling for Climate-Smart Irrigation Management, Applications of GIS and Remote Sensing in Agriculture, and an Overview of the Soil and Water Assessment Tool (SWAT). He also received hands-on training in ArcGIS Pro and the FAO AquaCrop model. During the internship, he prepared and analyzed soil, agricultural, and irrigation thematic maps; conducted crop production and crop water requirement simulations; assessed drought severity and climate change impacts; processed hydro-meteorological data; and contributed to data analysis, interpretation of results, and preparation of technical reports.

Throughout his internship, Mr. Deboneel Kundu Partho demonstrated exceptional dedication, professionalism, analytical ability, and a strong commitment to learning. He carried out his assigned responsibilities with sincerity and efficiency, both independently and as an effective member of multidisciplinary teams. His research aptitude, technical competence, problem-solving skills, and eagerness to acquire new knowledge were highly commendable. We are confident that he possesses the knowledge, skills, and professional attitude necessary for higher studies and a successful professional career. We wish him every success in all his future academic and professional endeavors.
