Subject: Application for giving chance to work as a Research Assistant.

Respected Sir,

I am interested to work as a Research assistant in consideration of the long standing reputation of your department in the university for producing excellent research work. During my academic period till now, I have studied several courses under the department of Irrigation and Water Management and I am very much interested to do my further studies in this department. Additionally, my time management and adaptability skills will not disappoint you and show how much dedicated I am to do my duty.

Kindly do favor by giving me a chance to get more experience. Thank you for your time.

Best Regards
